Type your information in the blue areas. The type size will change to fit the box as necessary. Do not press <Enter> between lines, it will take you to the next field.

Common Abbreviations:

- QD = Daily
- B.I.D. = twice daily
- T.I.D. = 3x daily
- Q.I.D. = 4x daily

example: 10mg B.I.D.

SECURITY: This application runs entirely on your own computer. **NO INFORMATION IS SENT OVER THE INTERNET TO ANYONE INCLUDING OURSELVES.**

INSTRUCTIONS: Simply type your information into the blue fields and then print this page. Cut and fold the card along the dotted lines. For durability, laminate the card in plastic. Keep in your wallet or purse at all times.

THIS FREE EMERGENCY MEDICAL INFORMATION CARD is provided with the compliments of FACZEN Photography and FAC First Aid. We hope that you will visit our websites and spread the word to your friends, colleagues and loved ones.

WE SINCERELY HOPE THAT YOU WILL NEVER HAVE TO USE THIS CARD OR ANY OF OUR FIRST AID PRODUCTS.

provides training in photography and photo-related computer processing including Lightroom™ and Photoshop™. Please visit our web portal at www.faczen.com and our blog at www.faczen.blogspot.com. We also sell quality photographic art prints and related products.
